A smartphone screen displaying the 'Create Password' form. The status bar at the top shows the time 9:41, 4G signal, and 100% battery. The app header includes a back arrow, the 'VISA' logo, and a lock icon with '4 of 4'. The form title is 'Create Password' with a help icon. Below it, a subtitle reads 'Almost there, please create a password to use for your login.' The 'Password*' field is empty with a toggle icon. A list of requirements is shown: 'Min of 8 characters', 'At least 1 lower case', 'At least 1 upper case', 'At least 1 number', and 'At least 1 special character'. The 'Confirm Password*' field is also empty with a toggle icon. At the bottom is a 'Save password' button with a toggle switch.A smartphone screen displaying the 'Password Saved' confirmation screen. The status bar and app header are identical to the previous screen. A large green checkmark is centered on the screen. The form title is 'Create Password' with a help icon. Below it, a subtitle reads 'Almost there, please create a password to use for your login.' The 'Password*' field is now labeled 'Password Saved' with a toggle icon. The list of requirements is shown with checkmarks: 'Min of 8 characters', 'At least 1 lower case', 'At least 1 upper case', 'At least 1 number', and 'At least 1 special character'.
